## Skills

HTML  
CSS  
JavaScript  
Bootstrap  
Responsive Web design

## Design Tool

Figma

## Languages

Ukrainian - native language  
English - A1

Hello! My name is Yura. Born in 1998. Started learning front-end development in March 2023. I am learning HTML, CSS, JavaScript on my own.

## Project

### Portfolio

- HTML
- CSS
- JavaScript

A simple multi-page static portfolio website, where you can see my work. To create this project, I used HTML, CSS and JavaScript.
